

# Is your business on Facebook? Is it on Twitter? If not, let us help you!

## NEW! Social Media Setup Service from eCape

Get your business on Facebook and Twitter--let us do the work!

Your business needs to have a marketing presence on Facebook and Twitter, the web's best form of free viral marketing.

You'll be able to post news about your business, including special offers, on your Facebook account, and **it will automatically update your Twitter account!**

It's very simple to post news and we'll give instructions on how in case you have trouble.

We'll set up your Twitter page with a customized background for your business, including a logo and pictures, all at the correct size and resolution.

We'll set up your Facebook page with ample information about your company as well as pictures

**We'll set up your  
business with a  
customized  
Facebook page and  
Twitter account for  
a one-time fee of  
\$275.**

**We'll even get you started with 10 Facebook fans and 10 Twitter followers!**

You do not need have to have a personal profile page on Facebook in order to have a business page.

At least 100 companies on Cape Cod are twittering -- you won't believe how easy it is after you get set up! Give it a try!
